

Rita Puder

On the list of signatures that was created for the departure of Beate Dörzbacher from the Göppingen Jewish School, one can clearly read the name 'Rita Puder'. However, we were not able to identify a child with this name, neither in Göppingen nor in Kirchheim/Teck, whose Jewish inhabitants belonged to the Göppingen Jewish community. The surname 'Puder' does appear in Stuttgart, but the Jewish name bearer there cannot have been the father of a Rita Puder of primary school age.
